Merit Moving Systems Starting from the Ground Up

Come September, Merit Moving Systems, Temecula, Calif., will have a new home. Ground was broken in February for the 20,000-square-foot warehouse plus 2,000 square feet of office space. In a recent ceremony attended by Temecula Valley Chamber of Commerce representatives, Merit staff members (from left) Warehouse Manager Larry Turner, COD Salesperson Ed Deutsch, and Office Manager Cherie Turner initiated work on the new building.
